The Elkay Manufacturing Company began as a vision of Leopold Katz and his son Louis on the north side of Chicago back in 1920. Founded with the goals of manufacturing the highest quality sinks and providing the best service possible, the company began to thrive. As time went by, we set the pace with new products, designs, and innovations that continue to lead the industry. Elkay strives to make the best quality sinks and provide the best customer service.

Our Word is Our Bond

The same goals that began three generations ago continue today. As a family-owned company, we're dedicated to your complete satisfaction. Above all else, our word is our bond. We honor our commitments with integrity to our customers, employees, suppliers and the communities in which we live and work.

Milestone

- 1920** Elkay Manufacturing is founded on January 26, 1920 in 2100 square feet of rented space on Chicago's Near North Side. Founded by Leopold Katz and his son, Louis, Elkay strives to make the best quality sinks and provide the best customer service.
