Geesa

Frame collection

Hanging shower rack & clip-on shower basket

Trendspotting

- Bathrooms with minimal storage solutions are out
- Add storage with more shelving instead of cabinets
- Focus on unused corners.
- The bathroom is getting efficiently small
- Efficient bathroom accessories can still convert the bathroom into a relaxing sanctuary

Frame concept

Optimized Function

- Shower bottles, amenities can stand steady
- Removable inlays are easy to clean

Space saving

- The products integrate different functions which leads to a minimalistic design

Time saving

- mounting of multi-functional holder instead of mounting of each product

Frame Hanging shower rack

At Geesa, we love function combined with beauty. This robust shower rack from Geesa Frame has plenty of room for all your bathroom items. Playful design means the basket heights can be adjusted. A great blend of aesthetic and functional. Goes with any bathroom decor.

Where to use:

Shower

Geesa Frame Hanging shower rack

geesa.

Frame Clip-on shower basket for shower screen

Innovative, multifunctional and space-saving. Take a look at this shower basket from the Geesa Frame range. Versatile hooks make it easy to fix this basket to the glass screen. This shower basket has plenty of room on both sides for holding and storing your bathroom products, but best of all it boasts a universal phone holder. The Frame recyclable accessories not only bring comfort to the bathroom but are also highly sustainable.

Where to use:
